SOCIAL CLUB

Main Room & Vip

Social Club Mallorca is our flagship venue and an iconic name in Palma's nightlife scene — a boutique-style club that blends international talent, local energy, and a reputation for delivering unforgettable nights.

Set beneath the Victoria Gran Meliá Hotel on the prestigious Paseo Marítimo, with sweeping views over the marina, Social is a space where world-class DJs, bold lighting, and immersive sound come together in a meticulously crafted setting.

The club features two core spaces: a high-energy main room designed for dancing and performance, and a prestige VIP lounge for more exclusive, tailored experiences.

But more than anything, Social is a return to what nightlife should be — putting the focus back on the experience as a whole, and taking you back to what made bars, lounges, and nightclubs great in the first place: the environment, the drinks, the people, and the conversations.

THE GREEN ROOM

A Hidden Space

The Green Room is the intimate heart of Social Club — a space whose name and spirit are inspired by growth, color, and new beginnings.

With its own bar, sound system, and a softer, more ambient design, The Green Room is perfect for private parties, pre-event gatherings, curated performances, or as a second room during larger nights.

It's a hidden space with its own soul — close enough to feel part of the action, yet distinct enough to offer something entirely its own.

VINYL LOUNGE

Cocktail Culture

Vinyl Lounge is Social Club's hidden soul — a speakeasy-style space set just off to the side, offering an escape into something slower, deeper, and more refined. With velvet textures, rich woods, and an atmosphere steeped in intimacy, it's a lounge built around connection, conversation, and the warm, organic sound of vinyl.

Expect curated records, low lighting, and a mood that invites you to slow down and stay awhile. A secret hidden door connects it directly to the club, allowing the night to flow from high-energy dancefloor to lounge-style elegance — without missing a beat.
